## A Note From Mr. Olson

Here's what to expect in JANUARY: In MATH we will be starting factors, multiples, patterns and fractions. For LANGUAGE ARTS we will be working on the theme of "How can animals influence our writing?". We will begin our next SOCIAL STUDIES unit. We will be studying early California explorers. Our WRITING project this time will be an opinion / persuasive letter and will be due by February 28th. Our BOOK REPORT will be a comic strip theme for a realistic fiction story. Students will need to choose a part of the story and make it into a comic strip. This will be due on Wednesday, February 28th. (Book report packet can be found on our website if needed.)

Come and visit our web site where you can find some new stories that were written by the students as well as keep up on what is happening in our class. There is also a page with worksheets that you can print at home. There are spelling lists, writing pages and math pages for things we will be studying in the coming months. The address is:
