## A Note From Mr. Olson

Here's what to expect in FEBRUARY: In MATH we will be comparing, adding and subtracting fractions. For LANGUAGE ARTS we will be working on the theme of "What are some messages in animal stories?". For SOCIAL STUDY we are finishing our study of CA Indian groups. Our WRITING project this time is an opinion / persuasive letter and is due by February 28th. Our BOOK REPORT is a comic strip theme for a historical fiction story. Students will need to choose a part of the story and make it into a comic strip. This will be due on February 28th as well. (Book report packet can be found on our website if needed.)

Come and visit our web site where you can find some new stories that were written by the students as well as keep up on what is happening in our class. There is also a page with worksheets that you can print at home. There are spelling lists, writing pages and math pages for things we will be studying in the coming months.
