Or to receive messages via email, send a blank email to Olson20-21@mail.remind.com.

I have created a web page for our class where your child's stories will be posted for you to read. Please be sure to check out all the information on our site. This site will be updated monthly so be sure to check it often! Web address is listed at the bottom of this page.

WELCOME NEW 4TH GRADERS

I want to take this opportunity to welcome each and everyone of you to our classroom. This is your place to learn and grow in many new ways this year. We are going to be a community of learners that will help each other in every way possible so that everyone will feel welcome in this class. I encourage you to do your best and promise you that you will learn a lot this year!!!!

The Key to success

This year promises a lot of learning. With your help at home (*reading each night with your child*) your child will show great improvements this coming year. With an extra 15 minutes a night reading or writing (above their normal homework time) you **WILL** see a difference.

Several times this year I will be sending home book club orders. This is a great way to build up a home library of books they are interested in reading (and a cheap way to do it.) There are always books that cost less than \$2.50 each. Your child also has the opportunity to check out classroom library books to read at home. Please make sure

these are returned by the end of each month.

Please feel free to call me at school between 7:30am-4:00pm if you ever have any questions. 730-7798 I will return your call as soon as I can. You can also e-mail me anytime at: solson@vusd.org

Information cards

Several notes were sent home this week. If you haven't yet, please read, fill out and return as soon as possible. The Current Health Information card is the most important. This is needed in case of emergencies. Please make sure you have a second or third contact person in case we can't reach you.

CHICKEN FARM

A city slicker moves to the country and decides he's going to take up farming. He heads to the local co-op and tells the man, "Give me 100 baby chickens." The co-op man complies. A week later the man returns and says, "Give me 200 baby chickens." The co-op man complies. Again, a week later the man returns. This time he says, "Give me 500 baby chickens." "Wow!" the co-op man replies. "You must really be doing well!" "Naw," said the man with a sigh. "I'm either planting them too deep or to far apart!"
