## THE WEDDING

A little boy was in a relative's wedding. As he was coming down the aisle, he would take two steps, stop and turn to the crowd alternating between the bride's side and the groom's side. While facing the crowd, he would put his hands up like claws and roar. So it went: Step, step, ROAR, step, step, ROAR, all the way down the aisle. As you can imagine, the crowd was near tears from laughing so hard by the time he reached the pulpit. The little boy, however, was getting more and more distressed from all the laughing, and was also near tears by the time he reached the pulpit. When asked what he was doing, the child sniffed and said, "I was being the Ring Bear!"

## September in The Classroom

### This month we will be focusing on:

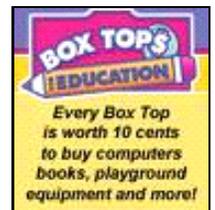

Math –Finishing up place value, adding, and subtracting. Beginning strategies for multiplication through thousands place, comparison problems, and using the distributive property. Practice those times table through 12s.

Language Arts –Our reading theme is “How people respond to natural disasters”. We will focus on comparing texts and using textual evidence to support our answers.

Social Studies –We will be finishing up our California regions study with a salt dough map project and begin looking at “The First Californians”. We will also visit with Native Americans and learn their way of life on our field trip to “Three Rivers Native American Days” on September 27th.

**Reminder:** If your child is absent please **call** the school or **send a note** to let us know why they were absent - -Thanks !

Please collect Box Tops for Education coupons found on General Mills foods. Saving these will help the PTA raise money for special events at our school. Bring them in anytime.

Dear Parents,

We would like to remind you that magic words such as “Hello”, “Please”, “You’re welcome”, “I’m sorry”, and “Thank you”, all begin to be learned **AT HOME**.

It’s also **AT HOME** that children learn to be honest, to be on time, diligent, show friends their sympathy, as well as show utmost respect for their elders and all teachers.

**HOME** is also where they learn to be clean, not talk with their mouths full, and how / where to properly dispose of garbage.

**HOME** is also where they learn to become organized, to take good care of their belongings, and that it’s not ok to touch others.

**HERE AT SCHOOL**, on the other hand, we teach language, mathematics, history, geography, physics, sciences, music, and physical education. We only reinforce the education that children receive **AT HOME** from their parents.
