

We are Warrior BRAVE!!

CAMPING WITH SHERLOCK

Sherlock Holmes and Dr Watson went on a camping trip. As they lay down for the night,

Holmes said: "Watson, look up at the sky and tell me what you see."

Watson said: "I see millions and millions of stars."

Holmes: "And what does that tell you?"

Watson: "Astronomically, it tells me that there are millions of galaxies and potentially billions of planets. Theologically, it tells me that God is great and that we are small. Meteorologically, it tells me that we will have a beautiful day tomorrow. What does it tell you?"

Holmes: "Watson, you bonehead. Somebody stole our tent."

WHAT'S HAPPENING

Well that month of September just flew by so fast! For October we are focusing on:

Math- This month we will be moving on to multiplication and some new strategies that will help us.

Language Arts- We are working with the essential question:

"Putting ideas to work" and "How can starting a business help others?" We will be reading some good stories on how kids have come up with some great ideas on how a business can help others.

Science: We are learning about the Human Machine (muscles, eyes, brain and nervous system)

Writing- We will continue with narrative writing, but will be creating Halloween creative writing stories.

Book Reports- This month students will need to focus on character, setting and plot of the story they are reading.

Come and visit our web site where you can find some new stories that were written by the students as well as keep up on what is happening in our class. There is also a page with worksheets that you can print at home. There are spelling lists, writing pages and math pages for things we will be studying in the coming months. The address is:

www.MrOlsonsClass.com/4thgrade
It is updated each month with new pictures and stories from the kids.

SOCIAL AWARENESS

Social Awareness: The abilities to understand the perspectives of and empathize with others, including those from diverse backgrounds, cultures, and contexts. This includes the capacities to feel compassion for others, understand broader historical and social norms for behavior settings, and recognize family, school, and community resources and supports.

<p>EMPATHY I can be kind to others and care about other people's feelings.</p>	<p>PERSPECTIVE TAKING I understand that other people think differently and that's okay!</p>
<p>APPRECIATE DIVERSITY I can celebrate the differences in others and connect on our similarities.</p>	<p>RESPECTFUL ENGAGEMENT I can contribute to my family, classroom, and community by being a respectful citizen.</p>
