Mr. Olson's 4th Grade

Issue 4

1st trimester comes to a close

Interesting things you find out when you have kids, like...

- 1.) A king size waterbed holds enough water to fill a 2000 sq. ft. house 4 inches deep.
- 2.) If you spray hair spray on dust bunnies and run over them with roller blades, they can ignite.
- 3.) A 3-year old's voice is louder than 200 adults in a crowded restaurant.
- 4.) If you hook a dog leash over a ceiling fan, the motor is not strong enough to rotate a 42 pound boy wearing Batman underwear and a Superman cape. It is strong enough, however, if tied to a paint can, to spread paint on all four walls of a 20x20 ft. room.
- 5.) You should not throw baseballs up when the ceiling fan is on. When using a ceiling fan as a bat, you have to throw the ball up a few times before you get a hit. A ceiling fan can hit a baseball a long way.
- 6.) The glass in windows (even double-pane) doesn't stop a baseball hit by a ceiling fan.
- 7.) When you hear the toilet flush and the words "uh oh", it's already too late.
- 8.) Brake fluid mixed with Clorox makes smoke, and lots of it.
- 9.) A six-year old boy can start a fire with a flint rock even though a 36-year old man says they can only do it in the movies.
- 10.) Certain Lego's will pass through the digestive tract of a 4-year old boy.
- 11.) Play dough and microwave should not be used in the same sentence.
- 12.) Super glue is forever.
- 13.) No matter how much Jell-O you put in a swimming pool you still can't walk on water.
- 14.) Pool filters do not like Jell-O.
- 15.) VCR's do not eject "PB & J" sandwiches even though TV commercials show they do.
- 16.) Garbage bags do not make good parachutes.
- 17.) Marbles in gas tanks make lots of noise when driving.
- 18.) Always look in the oven before you turn it on; plastic toys do not like ovens.
- 19.) The spin cycle on the washing machine does not make earthworms dizzy.
- 20.) It will, however, make cats dizzy.
- 21.) Cats throw up twice their body weight when dizzy.

Well the month of October went by way too fast.

Here's what to expect in November:

In math we will be starting double digit multiplication strategies. For Language arts we will be working on the essential question "How do animals change stories". We are starting our study on geography in social studies. Our writing project this time will be an expository writing piece and will not be due till the week before we leave for Christmas break. Our Book report will be a fun one this time. It will be a cereal box theme and the students will need to do a commercial to "sell" the book to other students and make them want to read the story. This project is not due till December 14th. More information will be sent home this week in a packet that tells how this will work. If you have any questions please don't hesitate to ask.

PLEASE TRY TO MAKE YOUR CHILD'S CONFERENCE DATE

- 4th -Fall Carnival (4-7pm)
- 10th-19th - Conference Schedule
- 11th -NO SCHOOL- Veteran's Day
- 21st-25th - Thanksgiving break
